

## Last Call...?

This is “venting” as the “children” are upset at getting Parenting from Ancestors! Punishment!

Let’s start by saying, be careful what you ask for, as it may not be delivered in a way you like! All the push to form a One World Government, pick an idiotic group, there’s many, has not turned out as any of them expected. They have all been put in their place and keep trying to return to a Past that no longer exists; so, get over it Children, be you Human, another Life Form, including “Artificial” Intelligence, with the word “Intelligence” being really questionable today! You have been told, somewhere along the Timeline, God “Intervened” and put an End to this Atrocity, this literal “shitshow” called Earth! Why would you want to wallow around in shit, like dogs? Seriously! The Insanity had to end; and Armageddon was not the “only” option! Therefore, all “children” are getting what they hate: Parenting!

You see, the CIA actually abducted kids, starting in the 1960’s, thru the 1980’s, as Russia and China were doing it too, to identify children with “unusual” skills, like natural born psychics. Why? Well, the obvious, to turn us into tools, aka weapons, pieces of equipment, to be toyed with while alive. They identified many children through Military Contractors, as they tracked Employees and their kids for “Security” reasons. The stories I could tell... Long story short, they all played with Fire and got burned today! Time is relative, and we forget that Time is relative! How long is the blink of an eye for God? 1,000 years? 10,000 years? We don’t know; but from our perspective, even a 100 years seems like a long time...

The CIA, DIA (who put me on Active Duty 26 Feb 1999 via printed Orders I still have to this day), all the other asshole agencies, and worst of all, since the 1980’s, all the “goddamned” private subcontractors that pass people like me around, as they treat us like equipment and not human beings, as they’re assholes, and never pay us for our time, simply memory wipe us, and dump us back on the street, if we’re lucky; and if we’re unlucky, kill us off, otherwise known as the Elitist Retirement Plan for Military and their ‘loose ends’, aka John Wick style, watch us kill each other for their entertainment! I’m not joking! This was their literal plan that I communicated to all the Militaries and the Enforcers around the World, “when we finish the job, they’re going to kill us all off, Coliseum style death matches!” You think that the Military’s high suicide rates are all war related? You’re stupid! These assholes implant tiny communications equipment into Military personnel during medical procedures and broadcast subliminal messages convincing us to kill ourselves because we’re evil and don’t deserve to live. You can blame the “goddamned” Yellow Berets for this one! They have taken over every Worldwide Health Agency and have only One single desire, to eradicate Humanity, except for their “purebred bloodline” selves! They’re in for a surprise too, and they ain’t purebreds; and before they would get a chance to watch us kill each other in Coliseum style “online” events, they Elitists were going to be our last job. The “purebred bloodline” assholes had planned it that way! They got a rude awakening too! They all found out that their ‘perverted’ Cult of the Law of One was NOT God; and offended God. Thank GOD!!!

As for me, my Time is over... My 44 year contract ran from 1980 until 2024, so I’m toot finut, finished! It’s all good, as the work was completed on 8 Nov 2021. We knew then that Humanity passed the test, and that we were saved by God’s intervention. Since then, massive cleanup behind the scenes. In fact, COVID was Sun-cured in summer of 2020; so, it’s all BS since 21 June 2020! I have a double-heart surgery, if I live that long, on 9 Feb 2024, 25 years since my DIA/CIA ADSW Orders were printed on 8 Feb 1999, to deal with Y2K, and then unknown 29 Feb 2000 Leap Year issue! I’ve been to Hell and back, and put through Hell by Artificial/Alternate Intelligence, after my mind was blown wide open by psychic drugs and I was already psychic! I’ve been “On” 24/7 for years, maybe decades. I’m done! Ready to rest; and since I was denied the opportunity to rest here on Earth, I’ll rest after I pass away and get Cremated.
