

The Human Experiments

Executive Summary

In this Brief Article, I am going to cover some of the sins of the past, as I remember them, and still experience them to this day. I am pointing specifically at Experiments done on Military Personnel, like me, without our knowledge and express permission. I am pointing, so-to-speak, directly at those I have broken memories of, even after the drugs and memory wipes through hypnosis and other means. I point at DARPA, IARPA, SRI (Stanford Research Institute), Yellow Berets (Yale and Harvard), and even Non-Governmental Corporations.

The short version is that they Experiment on us all the time, to this day! You name it, Human Enhancement Technology implants, Biological implants, Mind Control implants and “frequency” management (since 1990), etc., and examples would be Nanobots, CRISPR, CAR-T, mRNA, Fungus Injections, Organoid Injections, etc. etc. etc. All of which have resulted in countless deaths over the years. In fact, a huge factor in Veteran Suicide Rates too!

There are lots of Conspiracy Theories that are not actually Theory’s! I know, as I have been the Subject of Many of those Experiments since the 1980’s SDI (Strategic Defense Initiative) aka Star Wars Program that tried to turn us Soldiers into Remote Controlled Stormtroopers aka Toy Soldiers. It is important to note that they remote controlled us through implants on our Medulla Oblongata and Vegas Nerve wraparounds, long before they created the Spinal Nerve wrap-around; and none of the technology was ever approved for Human implantation. Then, in the 1990’s, they learned how to utilize “frequency” broadcasts as a form of mind control, behavior modification, convince you to do what they want you to do when they want you to do it. Remember COVID? How do you think they got Worldwide Compliance?

Trust me, you do not want any type of “Organic” Implants, as it “literally” means that they are injecting another Life Form into your body!!! Be it a Fungus or an Organoid, including Organic Computer Technology. Why would they do this to the General Public? Simple... Control. Basically, think of it this way; They turn your Human Biome into a Triome, as you will have another Life Form growing inside of you. I do not know which is worse, the Fungal injection or the Brain Organoid Injected Implants, as the first makes you get really fat as it grows mainly in your gut, while the latter allows them to utilize any frequency, including 5G, Wi-Fi, etc. to broadcast thoughts to you and drive you crazy, among other things they can do with it, like control your bodily functions, all of them!

I know what you are thinking at the moment... They are going to Kill Me for posting this Article as a Whistleblower. Well, first, they have already tried many times; and it is only through God’s good Grace that I am still alive; and why these Cultists of The Law of One, who believe they “are God” hate me so much to this day. Second, my anger at these assholes is incomprehensible for what they have done to me, as well as many other Military Personnel; and yes, even Civilians. They have No Morals, Ethics, nor Faith in God, as they “literally” believe that they are doing what they were born to do, Law of One, chose their Life Path before Incarnating as Humans; so, you will not be able to reason with them. Finally, I am beyond caring what happens to me at this point, considering that I do not even feel like a Human Being anymore and am tired of the ongoing insanity, experimentation, as they try to cover up their Sins, as they have no idea how the Human body works, yet think they are geniuses. All I know is that it is Time for this Information to get out, before they launch Operation Blue Beam and the Rapture, another Mind Control Operation, like COVID. Believe me or not; but you have lived through it once already...

Topic Shorts

Radio/Microwave Technology

- Crystallization of the Human Body through the overutilization and excessive exposure to Frequencies that are all around us today, connecting us Technologically. It has been overutilized, including HAARP and all those mini-HAARPs, etc. and resulted in Human Bodies starting to Crystallize. You know, Carbon crystallizes under Pressure! Therefore, the High Frequency Environment around us is “literally” changing our bodies. (FYI: Law of One says our Bodies get elevated to a higher frequency, dimension, through crystallization.)
- This technology also allows them to “communicate” to us directly to our minds, especially if we have technological implants, yet not required today, see COVID. This is another method of Mind Control that we “verified” during the first Gulf War in 1991, which was the goal of that War. Fast forward to 9/11 and the Endless War against Terrorism, not a Government, etc., just a non-existent Entity, which we have been fighting since 2002 and allowed passage of The Patriot Act. Oh, if you only understood the “Irony” of the name “Patriot Act”, you would be beyond angry!
- For Military Families, the most disturbing part is that this Technology can be used to drive Veteran Suicide Rates, very easily. This is why Veteran Suicides have been at Insanely high numbers since the beginning of The Endless Wars. You see, they want us to Fight, be toy soldiers; but they never ever want to provide us Health Care or Compensation, even as Disability Benefits. It is unethical and immoral considering all the Experimentation we endure, to this day!

Fungus Injections

- They literally inject Fungus into our bodies! They think they can control how the fungus grows and utilize it to control us; however, they are clueless geniuses (sarcasm) and fail to understand the very basics of Life. The short version is that it turns out they cannot control the fungus growth, and the Fungus likes and grows well inside the Human body. Why? Lots of Oxygen, Moisture, and Nutrients, for starters. We learned NOT to do this in the 1980's; yet this generation of idiots thought they were God and could do anything. The Fungus likes to grow inside the Human midsection, lots of room for growth around the Human waistline. The scary part? How does Fungus Spread? Fungus spreads through Spores, when we Breathe. The scarier part? The Fungus grown on Trees and Plants, and carry the Tree/Plant spores within them, which means that when the fungus grows inside you, the tree/plant begins to grow too.

Human Biome becomes Human Triome

- Yes, this Experimentation on Humans through CRISPR, CAR-T, mRNA, Nanobots, Fungus Injections, 5G etc. Local and Satellite Based Energy, Mind Control, etc. is changing the Human Body, Human Biome into a Human Triome. They have tried to turn us into Multi-Dimensional Multi-Host Human Shells. What do I mean? I mean turning a Human Body from a singular Life Form into a “host” for multiple Life Forms, some of which consume us from the Inside Out. (FYI... Law of One teaches that we are just Shells for Incarnate Souls, multi-dimensional Beings living multi-dimensional lives ‘at the same time’, surrounded by NPCs (Non-Player Characters), as Life is Game, and that when we hear Voices in our head, it's our Higher Self, Guides, etc.)
